Company Profile / Capabilities

Silveri Engineering & Trading Pty Ltd

Silveri Engineering & Trading Pty Ltd commenced operations in May 2018 with a clear objective — to deliver reliable, high-quality engineering products and technical solutions to the mining, oil & gas, manufacturing, quarrying, and broader industrial sectors across Australia and international markets.

As an Australian-based company, we specialise in both import and export services, providing seamless supply chain solutions supported by strong technical expertise. Our commitment extends beyond supply — we provide dedicated product support and technical assistance to our international customers throughout:

- ◆ Indonesia
- ◆ Vietnam
- ◆ Philippines
- ◆ Laos
- ◆ Thailand
- ◆ Papua New Guinea
- ◆ New Zealand

In addition, we service the Australian market extensively, supporting industrial operations nationwide.

Products & Solutions

We supply and support a comprehensive range of engineered products designed to improve safety, reliability, efficiency, and equipment longevity.

Fast Fill Systems

Advanced fuel and oil transfer solutions designed to enhance safety, eliminate contamination, and streamline fluid management processes.

Paguld Automatic Lubrication Systems

Engineered automatic lubrication solutions that improve equipment reliability, reduce downtime, and extend asset life.

Perma Single & Multi-Point Lubricators

Precision lubrication systems delivering consistent grease and oil supply for critical components in demanding environments.

Company Profile / Capabilities

Protecfire Fire Suppression Systems

Specialised fire detection and suppression systems designed to protect high-value mobile and fixed plant equipment.

Macnaught Fluid Dispensing Equipment

Industry-proven fluid handling and dispensing equipment engineered for performance and durability.

Sinffilter Desiccant Breathers

High-performance contamination control solutions that prevent moisture and particulate ingress in hydraulic and lubrication systems.

Our Commitment

Silveri Engineering & Trading Pty Ltd is committed to:

- ◆ Delivering technically sound and practical solutions
- ◆ Providing responsive and knowledgeable customer support
- ◆ Maintaining strong international partnerships
- ◆ Ensuring reliable supply and product quality
- ◆ Supporting safer and more efficient industrial operations

We pride ourselves on professionalism, integrity, and long-term customer relationships built on trust and performance.
